OL LEISURE
SINCE 1978 HOTELS | LODGES

A bride in a white gown holding a bouquet of flowers, standing on a paved path in a lush, sunlit park setting with large trees and a building in the background.

**"A PARADISE WHERE
THE EARTH RISES AGAIN,
FERTILE AND GREEN,
CREATING A
PROTECTED WORLD"**

Romantic African sunsets, intimate setting and the love of your life. Midgard is the ideal setting for your special day.

Acquired in 1937, Carl Werner List originally farmed the 12 000 hectare estate and eventually developed this private and intimate world into a household name in Namibia. Today you are invited to enjoy the warmth and tranquility that is Midgard.

ACCOMMODATION & FACILITIES

Midgard offers 90 fully equipped rooms, numerous dining areas, a bar, two swimming pools, a gym and spa as well as Namibia's one and only private skittle alley (Sven's Kegelbahn).

Choose between one of our 58 standard rooms, 13 family rooms, 10 interleading rooms, 8 junior suites or 1 luxury suite with views overlooking the swimming pools, gardens, courtyard or mountains. The estate is spaciouly situated in a sprawling country garden, bordering the Swakop River Valley.

RELAX & PLAY - BEFORE & AFTER YOUR SPECIAL DAY

At Midgard, we invite you and your wedding guests to relax and have fun. Feel free to soak up the ambiance and simply unwind or explore the outdoors on our 4x4, hiking and mountain bike trails.

Have fun in our bowling alley, horse riding, play some volleyball, tennis or outdoor chess or spend some time relaxing at our spa.

One of the estate's major attractions is a Hilltop Sundowner Drive, where you can enjoy a stunning 360° view over the Otjihavera Mountains with a refreshing sundowner in hand. We also offer morning or afternoon Game Drives through the separate 2 000 hectare nature reserve, along the Swakop River. Our game park is home to giraffes, blue and black wildebeests, oryx, kudus, hartebeests, eland, smaller antelope species, warthogs and baboons. If luck is on your side, even brown hyenas and leopards can be spotted.

LIFE IS A PATH

A path that leads to other paths that direct you to numerous destinations.

But very few paths in life lead you to destinations that have paved a sequential capsule of experiences that celebrate what you have all around you, whilst opening you up to curate your own version of magnificence.

A destination where you see branches sprouting into full bloom.

Where you feel the glittering sun reflect on your face.
Where you stretch your arms up too, just like the trees.
Fingers spread toward the sun, and slowly begin to dance.

You recognise every sense of nature as part of your world.

A memory. A story. Part of something you belong to.

You perceive beauty in this way, and it follows that you are a part of nature itself. It follows that you too are the beauty. You are creation itself, and you are the one telling the story.

*Here the
earth breathes too*

A feeling passes between each living thing, a bond that is tangible and blended, a gracious melody beyond the range of ears, something for the heart. The evergreen trees move in sync, beautifully choreographed by the wind, stretching upwards to drink in sunrays under the open blue skies. And so, as each leaf moves in the wind, a part of you does too. It is the togetherness of what is separate that is the glue of this enchanting oasis. Here, you can move as freely as a brightly coloured humming bird, or take rest as your weapon and be as still as the majestic mountain in the near horizon.

A destination with an overflow of character to guide you throughout the day, nudge you to wake in the morning and lull you to sleep peacefully at night.

The invitation to creating your story, your memory, is timeless.

This is Midgard.
