

BRIGADOON BOUTIQUE GUESTHOUSE • FACTSHEET 2023 / 2024

Guesthouse

Brigadoon Boutique Guesthouse, located in the heart of the coastal town of Swakopmund at the Atlantic Ocean, is a quiet and peaceful haven with each of the 7 comfortable guest rooms having access to a landscaped garden in its heart.

The main building, an old captains house built in 1912, welcomes the guests for a hearty breakfast in a stylish atmosphere. Fully renovated and re-opened in April 2023, the interior decoration of the main area and rooms follow the vintage, classy and maritime style of the coastal town and brought back the soul of the old house. The main rooms serve as the cosy breakfast restaurant and lounge to relax and unwind. The city center and the sea are just a few minutes walk away, while Brigadoon is located in a quiet street close to the famous Mole. This is the perfect location for a relaxing stay in Swakopmund. It offers a vast selection of exciting activities like living desert tours, Walvis Bay lagoon boat cruises, excursions into the moon landscape, or simply a stroll on the beach or the historic center of town with its shops and restaurants.
