Sometimes the best sightings happen on bush walks or drives. Other times, you might experience exceptional wildlife from the pool area. That's the beauty of the Kruger – each day is your own adventure.

Game Drives

There are daily game drives into either the Kruger National Park or Manyeleti Game Reserve, both offering exceptional Big5 experiences and sightings. No game drive is complete without taking time to slow down and celebrate the environment you're in – stopping in the middle of the Park for coffee in the morning, or sundowners in the evening.

Swimming Pool

Our luxurious pool is a great option to spend time at, during hot African afternoons, relaxing in the sun on our poolside sunbeds. Order a drink of choice and experience the feeling of real tranquillity.

The Boma

Experience evening dinners under the African stars next to an open boma fire, local African dancers might surprise you with a memorable performance.

Dining

Our breakfast is either served during the morning game drive or as a continental breakfast for guests who wish to sleep-in. Dinners are served in our open air boma with a three course meal selection from our a la carte menu.
