

A close-up, front-facing portrait of a lion's face. The lion's eyes are a warm, golden-brown color and are looking directly at the camera. The fur is a mix of light and dark brown tones, with some darker spots around the eyes. The lion's nose is visible at the bottom center, and its whiskers are prominent on the sides. The overall texture of the fur is very detailed.

MORNING & EVENING DRIVES AT BABOHI

One of only two UNESCO-proclaimed biosphere reserves in Africa, QWABI is home to some of the most exquisite animals in the world, owing to the region's ecological diversity. Guest at any of the QWABI lodges are welcomed on daily game excursions during which they will have the chance of spotting the Big Five, geological wonders, various wildlife, stunning birdlife, including the critically endangered Ground Hornbill, indigenous flora and abundant water in this biosphere.

SAFARI WALKS AT QWABI

Guided safari walks give guests over the age of 16 the chance to explore the spectacular wilderness at QWABI on foot, with our experienced and knowledgeable guides. During the outing, they will learn about this critical biodiversity area and will have the opportunity to spot smaller fauna and flora, as well as abundant birdlife, which can be missed on drives. Our walking safaris can be booked via game rangers or reception at no additional charge.

This activity needs to be pre-booked.

BUSH DINNERS AT QWABI

Every dining experience at QWABI is a special event. Breakfasts are served at the lodges on nature's doorstep, immersing guests in the surroundings as they start the day and giving them time to enjoy the tranquility of the setting combined with the delectable food and beverage offerings.

Dinners are bound to be one of the highlights of guests' stay, with crisp air and earthy scents infusing the occasion, while spectacular dishes delight their senses. Bush Dining locations are weather dependent and menus are decided daily based on seasonal availability.

FAMILY, FRIENDS & GROUP ACTIVITIES & PACKAGES AT QWABI

A number of unique experiences have been created for various age groups and preferences. Family-friendly group amenities and activities on offer include:

- Connected suits and child-minder services at LETAMO
- Private game vehicles for extended families
- Guided safari walks for adults (person over 16)
- Bird watching outings
- Corporate team building opportunities at SAMELA
- Photographic safaris

KID'S CLUB AMENITIES & ACTIVITIES AT LETAMO, QWABI

LETAMO's Kids' Club offering includes a wealth of exciting amenities and activities that will keep youngsters occupied and cared for, under the supervision of the trained Kids' Club team. The range of reserve features and experiences for kids from age 3 to 14 to enjoy includes:

- A kids' clubhouse — This is the base for littlies to enjoy playing with games and toys, and participating in various activities like clay making or craft creation, or just chilling out and watching TV. There is a jungle gym and kids' pool for them to enjoy too.

WELLNESS SPA & EXPERIENCES AT LETAMO AND BABOHI, QWABI

QWABI's natural bounty extends to its spa with soothing and rejuvenating provenance-based spa offerings using local herbs, earth elements and plant extracts to enhance the selected treatment.

The spa is located next to the gym and is open from 08:00 – 20:00 daily. Spa bookings are done at the spa reception and there is a menu inside the room folder. Should you have a request for a treatment outside of the above-mentioned hours, please contact the Spa Reception desk.

More information is available via Newmark's reservations team or a receptionist at the respective QWABI lodge.

ABOUT THE WATERBERG BIOSPHERE RESERVE

QWABI is located within the Waterberg Biosphere Reserve, which forms part of the greater Waterberg Region in the province of Limpopo, South Africa. This reserve is one of only two UNESCO-declared savannah biospheres in Africa and is recognised as a critical biodiversity area by the South African National Biodiversity Institute. Known for its exquisite natural beauty and abundance of wildlife, including the Big Five, and birdlife, the Waterberg region gives guests a taste of authentic African wilderness. The landscape has been relatively untouched by humans and few tarred roads exist in the area, giving those who visit an immersive bush experience. The region is also home to rivers, natural pans and streams, breathtaking mountain gorges and rock formations that display rock paintings by the San, who entered the region thousands of years ago. It's an area rich in scenic splendour, in restorative ambiance and in cultural depth.
