

Thornybush

YOUR HOME IN THE AFRICAN WILDERNESS

Our purpose at Thornybush is to create out-of-the-ordinary safari experiences for our guests, while also enriching the lives of our staff and the well-being of the surrounding communities. We understand that while our guests enjoy the comfort and luxury of our lodges, what they'll remember most are the people they meet, the experiences in the wilderness and how both combine to give them that special Thornybush feeling.
