

PLETT QUARTER

HOTEL & APARTMENTS

OVERVIEW

Plettenberg Bay has long been the Garden Route's most coveted destination and for good reason: with its sparkling Indian Ocean, spectacular coastline, celebrated wine of origin region and vibrant food scene. Add to the mix a treasure trove of leisure activities shaped and inspired by breath-taking natural surrounds and you're left with a lot to love and even more to do.

Plett Quarter's skybar and rooftop pooldeck take full advantage of its elevated position, embracing the expansive views across the bay and over the Cape Fold mountain range in the distance. From this high perch, soak in the warm sunshine and gentle sea breeze and order yourself a drink. It's here that you can enjoy sightings of Plett's most famous annual visitors: the southern right whales who arrive in June/July to frolic in the temperate waters off Plett's main beaches. The migratory humpback whales arrive with their calves in early November and stay until the end of February before returning again during winter. Enjoy year round sightings of resident bottlenose dolphins, Bryde's whales, and the indo-pacific humpback dolphins who call Plett home.

Greenery abounds throughout the hotel, with a coastal chic modern aesthetic that embraces Plett's sunny climate and al fresco lifestyle. The room types on offer include deluxe rooms and luxury suites. Depending on your budget and preference, the more spacious luxury suites offer outdoor terraces, whilst the compact deluxe rooms have small indoor courtyards within the hotel.

Plett Quarter Hotel & Apartments is superbly located in the heart of town, at the top of buzzing Main Street. Step outside and be greeted by a generous choice of trendy restaurants, bars and boutique shopping options, all within easy walking distance of the hotel. The in-house restaurant provides a sanctuary to enjoy a barista coffee, a pot of fresh tea or a delicious and fresh bite to eat.

If a beach walk is calling your name, you're spoiled for choice with some of South Africa's most loved beaches on your doorstep including six premier Blue Flag beaches. Keep your eyes peeled for the famous Pansy shell, the town's emblem and a symbolic icon of Plett.
