

What if the weather is bad?

Our trips are weather dependent. Weather conditions are assessed 1 hour prior to arrival, should sea & weather conditions not be suitable, the activity will be cancelled - you will be offered the option to join on another day or a refund will be issued in full.

Do I need to know how to swim?

For our seal scuba, you need to be able to float – lifejackets are provided. For diving, you need to be able to swim confidently.

What should I bring?

Swimming Costume, Towel, Diving Gear (if you have your own) & warm clothing/wind-breaker (it can be cold on the water when the wind blows) & a sun hat if you're staying on the boat.

Are the seals dangerous?

The Brown Fur Seals are some of the gentlest of underwater mammals, & they love to play. They are friendly & you will notice the pure joy they get out of your attention. They may even tug at your equipment & we suggest that you don't tug back as it might frighten them as with any animal – if provoked or harassed, they would be capable of causing harm.

How do I learn to scuba dive?

Sign up for our PADI Discover Scuba Diving Course (4 hours). A PADI instructor will review the essential skills & basic safety rules required for scuba diving. You will learn to breathe underwater for the first time in the on-site swimming pool. This shallow, safe environment is the perfect place to learn how to swim around with scuba gear & master the key skills required for the ocean dive.

What gear is provided?

Snorkeling gear: mask & snorkel, wetsuit & fins. Full Gear rental is available for dives.

Do you have changing facilities?

Yes, our facilities include changing rooms & shower facilities where you can freshen up after your once in a life time marine animal encounter.

Do you operate all year round?

Yes – closed on Christmas day. *Seal Swim activity is offered from August to May.*

Where are you located?

We are located at the Beacon Island Resort, Beacon Isle Drive, Plettenberg Bay, Western Cape, South Africa. Park outside the resort & follow our signs on the walkway to the left of the boom gate. We are INSIDE the Beacon Island Resort complex, next to the volleyball courts.
