## HOME OF THE CLASSIC AUTHENTIC BIG FIVE SAFARI

### ELEVATE YOUR JOURNEY WITH A TOUCH OF LUXURY

Views. They're something that turn an ordinary safari experience into something extraordinary, especially when they involve the unique combination of permanently flowing water slicing through a pristine African wilderness. At Bundox River Lodge, the views over the omnipresent Olifants River create pure safari magic...

This is unplugged Africa at its best!

Perched on a gentle bend in the perennial Olifants River in the far north of the Balule Game Reserve, this brand-new tented camp has breathtaking upstream and downstream views from its raised position on the southern riverbank.

Magnificent riparian trees line the banks, providing dappled shade and cover for predator and prey alike. Tucked away under the leafy canopy, the camp becomes one with its surroundings. Raised on wooden walkways to limit the impact on the sensitive riverbank it's a mystical haven that whispers of adventure and the spirit of wild Africa. Irresistible... Alluring... Beguiling...

## SEASONS & CLOTHING

- Spring: 1 September - 1 December
- Summer: December - 1 March
- Autumn: 1 March - 1 June
- Winter: 1 June - 1 September

### Summer

Bring Clothes that are cool, light and comfortable because summer temperatures can get well into the 30- 40-degree Celsius range in some areas. Also, bring an umbrella or raincoat during summer as this is when most of the country gets its rain, but don't forget a swimming costume (bathing suit).

### Winter

The winters are generally mild, comparing favourably with European summers. But there are days when temperatures dive, especially in high-lying areas such as the Drakensberg, so be prepared with jerseys and jackets. Cape Town gets its rain during the winter season so it's advisable to bring rain gear along.

### General

Always bring a hat, sunglasses and sunblock as the sun can be strong even in the winter months. Walking shoes are a good idea all year round, with warm socks in the winter. If you are doing business in the country, business attire (suit and tie) is generally called for in the corporate sector, but media for example generally dress more casually. For game viewing, a couple of neutral-toned items will be useful, but there's no need to go overboard. A good pair of walking shoes is also advisable. For the evening, if you are dining at an upmarket restaurant or seeing a show, smart-casual attire is recommended.
