

MOREMI & KHWAI LUXURY SAFARI

7 DAY SAFARI

7 DAY LUXURY SAFARI

Moremi 3 Nights, Khwai 3 Nights

Day 1 To 4 - Moremi

The safari starts when the guests are met at an airstrip in Moremi and then enjoy a game drive to their private camp in the African savannah. For the next 3 nights and 4 days you will explore the incredible Moremi in a custom fitted 4 x 4 vehicle that seats 7 guests in individual seats.

The typical safari day usually consists of an early morning wakeup call followed by a light breakfast before departing on a morning game drive that lasts until brunch/lunch time. The early afternoon is spent relaxing until tea time when it is time to depart on an afternoon game drive. At sundown return to camp for dinner under the stars. However there is nothing set in stone in terms of time. We believe that the most important aspect of a safari is actually being out on safari and not stuck in camp.

The game drives in the Moremi take you through

the open grasslands and swamp areas. There is an incredible abundance of bird life and wildlife. There is always a sense of expectance and whether you are looking at a herd of Impala or the resident lions, one is always surrounded by the beautiful Okavango Delta. The Moremi reserve has a huge variety of animals, especially predators and bird life and so there is always something to see on the drives. As an optional activity one can take a full day boat cruise on the Delta but this should be booked in advance. It is a wonderful day as there are some huge nesting sites at certain times of the year. You might be lucky to find a huge elephant feeding in the water or a pod of hippo, but whatever you may see the scenery is fantastic.

The fact that you are luxury camping in the park enables you to have an incredible wildlife experience but it is also gives one the chance to experience the true African Bush.

Day 5 To 7 - Khwai

Today we rise early, have a light breakfast and do a game drive while staff set down camp for us and move it to Khwai.

The Khwai area is part of the Okavango Delta and is separated from the Moremi Game Reserve by waters out of the delta, the Khwai river. This is the currency of life for all the animals in this area & due to the dry outer surrounding they are all drawn to the river.

The next 3 days will be spent in this area as the river and its seasonal floodplains are central to all drives where one can find abundant wildlife and birds. Game activities include game drive, night drives and

great optional extra being a 3 hour Makoro trip, which is a wonderful way to investigate the waterways with your peler guide. * *Please note the seasonal fluctuations and flow of the delta cannot be predicted and so please enquire if this activity is available for the time of year you are travelling.*

Day 7

After breakfast you will take a game drive to the airstrip for your onward journeys. This is not the end of the journey as Africa is now in you so we look forward to seeing you back soon. If nothing else spread the good word of your experiences and time with us.
