AN ENDURING COMMITMENT TO safeguarding Africa's wild places and wildlife

Singita is a pioneering eco-tourism brand that has been at the forefront of sustainably driven luxury travel for 30 years.

Our exceptional safari offering, across four countries and 16 award-winning lodges and camps encompasses a wide range of experiences, all of which are underpinned by our 100-year purpose to preserve the land under our care.

By playing a role in protecting these wilderness areas, and the spectrum of life they contain through an abiding and driving commitment to conservation, we endeavour to create a legacy that protects the landscape, safeguards the wildlife, and supports the communities who exist in this ecosystem together, ensuring that future generations too can benefit from this precious natural heritage.

Limited guest and vehicle numbers, excellent game viewing and personalised service are complemented by the passionate care, commitment to excellence and sense of community that our teams uphold.

Guests who stay at Singita are forever changed, not merely as a result of the awe they feel on encountering the raw natural beauty of our remote locations, but because of the sense of connection they encounter, and the feeling of wholeness they leave with.

“Singita’s ethos of ‘touching the Earth lightly’ is no longer just a forward-thinking principle; it is imperative to our survival, and that of the land, wildlife and communities under our care.”

GENERAL MANAGER CONSERVATION**

INSPIRED BY conservation & community

Working with non-profit Funds and Trusts, who implement strategic initiatives and projects in each region, we remain true to our fundamental conservation principles and our goal to create exceptional experiences driven by purpose.

The work done by these Funds and Trusts is guided by a goal of restoring, protecting, and ultimately expanding the biodiversity of the ecosystems that make up our reserves and concessions. Our model of sustainable ecotourism is designed to support and further these initiatives.

GRUMETI FUND

In Tanzania, Singita partners with the Grumeti Fund, a non-profit organization carrying out wildlife conservation and community development work in the western corridor of the Serengeti ecosystem, where Singita Milele is situated. The Grumeti Fund works tirelessly to ensure the long-term sustainability of the 350,000 acre Singita Grumeti and their vision is a world in which people and wildlife live together sustainably, forever.

WELCOME TO *Singita Milele*

Surrounded by 350,000 acres of savannah, Singita Milele's elevated location on the slopes of Sasakwa Hill gives it a peaceful remoteness, while panoramic views over the Serengeti offer an unending sense of space.

This is echoed by generous social and living spaces and an expansive configuration, which offer groups and families ample room to enjoy the remarkable surroundings. Curated African art and design further celebrate the setting.

Milele is made up of five individually designed suites inspired by iconic African wildlife and multiple communal areas, all designed around optimal relaxation and comfort. Located on the migration route in the Serengeti, this private villa is perfectly positioned to experience one of Africa's most remarkable phenomena.

Privacy and peace – the perfect retreat

The epitome of seclusion, Milele's generous design offers a fresh and contemporary take on safari. Multiple social and outdoor spaces – an expansive swimming pool, heated spa pools, outdoor sala, spacious fitness centre and media room – offer comfort and ease.

A picturesque boma and firepit are conducive to starlit evenings recollecting the events of the day, while the rimflow pool is an ideal place to cool off while surveying the scenery, and the expansive terrace a perfect space to gather for celebratory meals. Feel rejuvenated by a wellness treatment inspired by ancient rituals on-site, or venture out to explore the wilderness.

Suited to both relaxation and celebration, family and friends, Milele is epitome of a modern African retreat with private staff, including a full-time Field Guide and dedicated vehicle ensuring the flexibility to tailor your itinerary.

Guest Suites

Milele features five individually designed suites, each with a unique identity. Featuring a curation of African art and contemporary design pieces, the spaces are a celebration of the continent's dynamic energy and the beauty of the landscape. Use the weather as your guide:

- **October - April:**
Casual summer clothing (shorts and lightweight shirts) with a warm jersey or sweater for the cooler morning and evening temperatures.
- **May - September:**
