## AT KILIFI BEACH HOUSE & VILLA, FOOD PLAYS A STARRING ROLE IN CREATING AN UNFORGETTABLE EXPERIENCE OF CONNECTION AND WELLNESS.

Our philosophy, affectionately called the “1-mile diet,” prioritizes farm-to-table practices. Ingredients are sourced from nearby fishermen, local fruit and vegetable growers, and our own orchard and vegetable garden. This ensures that each meal is memorable, fresh and healthy. Family-style dining allows groups to eat together or come and go as they please. A crowd favorite is teatime, when Kenya’s world-famous tea and coffee is served with homemade cake, cookies and scones. All food sensitivities and preferences can be accommodated.

## FROM WATERSPORTS TO LAND EXCURSIONS – AN ACTIVITY AWAITS JUST FOR YOU.

Whether you’re a history enthusiast, nature lover or adventure seeker, Kilifi Beach House & Villa is a gateway to a variety of activities – from diving the turquoise waters of the Indian Ocean, to golfing the pristine course of Vipingo Ridge and exploring the culture and history of the Swahili community. Your host will happily provide recommendations and arrange day trips.
