

### **KLEIN AUS VISTA- EAGLE'S NEST**

2 km west of Aus on the B 4 (Aus / Wild Horses)

Rediscover freedom at Klein Aus Vista with its sweeping vistas of subtle colours where the Pro-Namib merges with desert sands. Take time away from rush and routine of everyday life to recharge and to reconnect with the natural world. For a quality experience, treat yourself to a few days at the Eagle's Nest Chalets, built into rounded granite boulders with a rugged granite-gneiss mountain as a backdrop. Above, eagles may soar, and in front, the expansive views will take your breath away. A seven-kilometre drive from the main lodge, the Eagle's Nest chalets are private self-catering retreats, each built individually, combining natural elements and boulders into their interiors in a rustic and luxurious blend.

You may just want to stay here forever. Choose whether to cook in the kitchen, on the fire or to eat in the Desert Horse Inn restaurant; take-away breakfast or barbecue packs are available on request. Eagle's Nest is an attractive base for those who appreciate boundless space, choices, a sense of the land, privacy, innovation, the out-of-the-ordinary and the spectacular. The Eagle's Nest chalets have been built especially for you.
