January to December 2023

To keep you busy & see all that the chobe has to offer

Game Drives & Boat Cruises

After a 15-20min drive you will reach the entrance to the majestic Chobe National Park. From here you will meander through the bush and along the banks of the river on the tail of elephant, impala, lion....

There will be opportunity for a brief leg stretch and to quench your thirst with tea or coffee in the morning or something a little stronger in the afternoon!
