

UBUNTU MIGRATION CAMP

SERENGETI

Ubuntu Migration Camp moves with the migrating herds of wildebeest. From mid June to end October, the camp is located in the Lamai area of the northern Serengeti and from mid November to March, it is in the Kusini area of the southern Serengeti. With 10 spacious tents, each with full en suite facilities, Ubuntu offers guests the opportunity to uncover the more fascinating and unexplored corners of the Serengeti.

WHY CHOOSE UBUNTU?

A warm and authentic mobile camp with traditional Tanzanian hospitality
The camp follows the colossal herds of wildebeest as they journey around the Serengeti

Watch the herds cross the Mara River in the north, or take in the spectacular calving season in the south

Opportunities for hot-air balloon safaris (season dependent)
