CRUCIAL REMINDER REGARDING RHINO SIGHTINGS: As custodians of the rhino population in our conservation efforts, we kindly urge you to exercise utmost caution when sharing rhino photos on social media platforms. The dissemination of such images, if not handled responsibly, may inadvertently lead poachers to the locations of our precious rhinos.

To safeguard these magnificent creatures, we request that you:

1. **Disable Geotag Functionality:** Turn off geotagging features on your photos to prevent the inadvertent disclosure of specific locations.
2. **Avoid Location Disclosure:** Refrain from providing details on where the photo was taken to ensure the safety and security of our rhino population.

Your cooperation in this matter is critical for the continued protection of these endangered animals. Together, let us act responsibly to preserve the well-being of our rhinos and contribute to their conservation.

Important Note: All guest must travel with their passports as they need to be scanned at the entry gate.
