RESTAURANT MENU

Our cuisine reflects our values: elegant, authentic and local. We use products from our vegetable, fruits and herbs garden or from trusted suppliers.

If you suffer from a food allergy, intolerance or should you have any special request, please let a member of the restaurant team know upon placing your order.

For your convenience and fast service, the menu of the Beach Restaurant is limited. Should you wish for more options, you are welcome at the main restaurant of the property, Doors to Zanzibar.

The Beach restaurant offers light and fresh meals daily, based on the catch of the day and Chef's recommendation.

To best enjoy our service, select your grilled option with a member of our service team and pick from our self-service salads, sides and sauces section.
