

Nyasi Tented Camp

FACT SHEET

A tented sanctuary set amid golden grasses, Nyasi Tented Camp sets you in the thick of the surrounding wilderness — fostering a closer connection with nature.

Located in the Lamai Wedge in the northern reaches of the Serengeti, Nyasi affords guests seamless access to the Mara River – the iconic location of the wildebeest crossings. Experience a front row seat to the procession of more than two million wildebeest, zebra and Thomson’s gazelle as they traverse across the vast grass plains.

GPS Coordinates	1°33'37.84"S 34°50'13.98"E			
Malaria	Protection recommended – seek advice from your doctor before travelling.			
Yellow Fever	A Yellow Fever certificate is not required for Tanzania, but may be required if travelling via neighbouring countries.			
Medical Insurance	Highly recommended for guests to obtain a medical insurance prior to arrival, with a policy cover inclusive of emergency airlift evacuation.			
Currency	Tanzanian Shillings, United States Dollar (USD notes must be printed from 2006 onwards and not have any marks on them). Credit card machine available.			
Travel Visa	Visas are required for most countries. Please ensure to review visa arrangements, requirements and e-services prior to arrival through Tanzania Immigration Department online.			
Drones	Are prohibited unless a special permit is obtained prior to arrival to the country.			

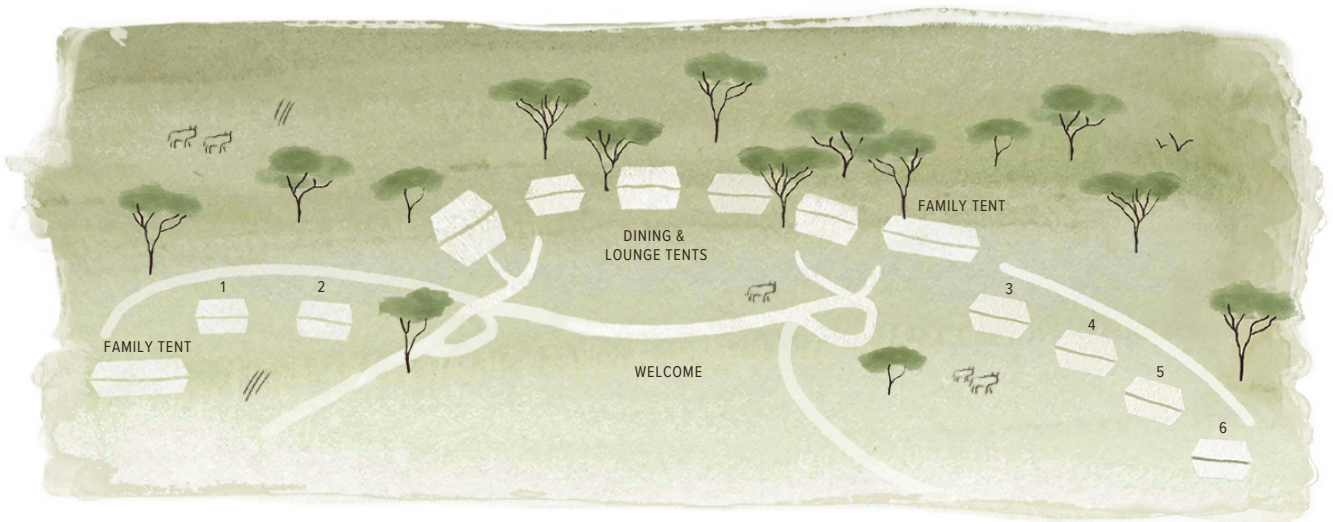

OUR CONSERVATION FUND

Commitment to sustainability	<p>The protection of Tanzania's natural heritage is FCFT's core interest. The Friedkin Conservation Fund Tanzania (FCFT) is committed to safeguarding the future of Tanzania's wilderness areas through engaging communities as partners in conservation and collaborating with stakeholders in effective wildlife management and research.</p> <p>By implementing social projects aimed at education, improving health and promoting sustainable livelihoods in areas neighbouring wildlife reserves, FCFT aims to create a positive impact on lives of rural communities, encouraging people to appreciate and protect their wildlife and its habitat. To ensure a holistic approach to the protection of Tanzania's natural heritage, FCFT also supports wildlife conservation programs and partners with scientists to conduct research to improve and inform outcomes.</p>
