Few places on Earth can make your soul sing like the Masai Mara – it could be the vastness of the landscape, the rhythms of migrating hooves or the sense of coming home to a place where our ancestors once walked.

Whether or not your visit coincides with the annual Great Wildebeest Migration, you're certain to see remarkable wildlife, while meaningful interactions with our Maasai neighbours add nuance and context to your time in the Mara.

Choose to follow our suggested safari (as outlined below), featuring the very best Saruni Basecamp experiences at two different but equally special locations in the Masai Mara, or ask our team to tailor the programme to your specific preferences and create your perfect bespoke safari experience, designed to dovetail perfectly with your specific interests, budget and timeframe.

SUGGESTED SAFARI

(MAY VARY DEPENDING ON LOCAL CIRCUMSTANCES, WEATHER, AND THE RECOMMENDATIONS OF YOUR GUIDES)

Day 1 | Basecamp Masai Mara

- Saruni Basecamp transfer from Jomo Kenyatta International Airport to Wilson Airport (both in Nairobi).
- Forty-five-minute* scenic flight to the Mara, to be met by a Saruni Basecamp guide for your camp transfer or game drive (approximately 1.5 hours*).
- Enjoy lunch in camp before an afternoon game drive to start exploring, finishing at the Enjoolata Centre and Basecamp Maasai Brand handicraft enterprise before returning to your river-side tent.

Day 2 | Basecamp Masai Mara

- Morning game drive (including breakfast) in search of the passing herds of the Great Wildebeest Migration, or year-round resident wildlife.
- Enjoy a picnic beneath a landmark acacia tree, or on top of a rocky kopje with remarkable savannah views.
- Learn more about our unique approach to responsible tourism on a behind-the-scenes tour of the camp.
- You can also discover our reforestation project, and (for a small fee) plant a tree of your own to help offset the carbon emissions of your journey to the Mara.

Day 3 | Basecamp Masai Mara to Saruni Leopard Hill

- Morning game drive to your second camp, Saruni Leopard Hill.
- Afternoon guided walking safari with our highly skilled and knowledgeable Maasai guides.
- Enjoy sundowners in camp with views of the iconic Double Fig tree.
- As you fall asleep, press the button that opens the roof of your safari tent, letting you wish upon a star – or several thousand of them.

Day 4 | Saruni Leopard Hill

- Morning game drive to a secret bush breakfast spot, with time to relax in the shade before taking a different route back to the camp.
- Afternoon game drive segueing into a night drive for opportunities to see nocturnal creatures, before returning to the camp for dinner.
- Enjoy a private dinner and some quality time with your travelling companions.

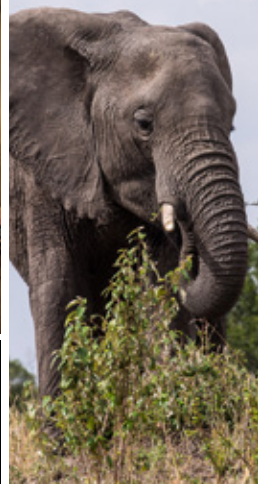

Day 5 | Saruni Leopard Hill

- Spend the day focusing on the renowned predators of the area, as they stalk the migrating herds, defend their territories and raise their young.
- Your day ends with a bush dinner accompanied by traditional Maasai dancing and singing – and the opportunity to take part yourself.

Day 6 | Departure

- Wake up for a final morning game drive, returning to camp for breakfast and to gather your belongings.
- Drive through the private Mara Naboisho conservancy to Ol Seki airstrip, looking out for wildlife on the way.
- Saruni Basecamp transfer to Jomo Kenyatta International Airport, with dinner at the Talisman or Carnivore restaurant (flight times permitting; dinner on your own account). Alternatively, ask us for a different dining recommendation – our team knows all the best spots in town.
