# Welcome to Casa Babi.

Located on one of the nicest beaches in Vilanculos, very lively because in the middle of the fishing village, Casa Babi is a small guest house, that can welcome a maximum of 13 guests and offers wonderful views over the Bazaruto Archipelago.

Casa Babi is owned and managed by Sabrina and Denis, a French-Italian couple, established in Mozambique since 2007 who with their presence and with their staff, create a very special atmosphere and make everything for their guests to feel at home.

Casa Babi is an eco-friendly lodge. Everything was thought and implemented to have as little impact as possible on the environment. This was rewarded, in 2015, with a Fair Trade Tourism certification.
