Kuname Manor House Fact Sheet

Kuname Manor House, surrounded by a big Weeping Boer Bean and Jackal Berry Trees, brings you closer to Mother Nature - here, you can feel, touch, smell and see the African Bush at its best and be warmly welcomed into our piece of Paradise. The Manor House, a new addition to the Kuname Family, is a beautiful three bed room and property situated on the banks of the Kuvenyami River.

Game viewing continues all day, whether on a Safari or sitting on your private deck overlooking the drop to the Kuvenyami River and the watering hole close by. You will be entertained by a number of birds bathing in the water or the local animal species that will come for a sip of water during the course of the African day.

Malaria

Karongwe Game Reserve is situated in a Low Malaria Area. We still recommend you visit your GP before traveling to the Lodges.
