DISCOVER THE ESSENCE OF CUSCO  
WITH OUR EXTRAORDINARY EXPERIENCES

## WELCOME TO PALACIO NAZARENAS

On the site where two ceremonial Inca thoroughfares once met, Palacio Nazarenas began life in the 15th century as a palatial home of a conquistador. Yet the building was transformed into a convent in 1757.

Among the original ancient stonework of mythical beasts and frescoes, it holds not just the best of the old world, but the new too. Browse our cutting-edge local art collection before retiring to your suite with state-of-the-art sound systems.

## FIRST LIGHT EXPERIENCE
