## Massages

### Aromatherapy Massage

60 min \$120

Esencial oils exert effects on the body, the mind, the emotions and the energy. In this way we are fully harmonized and favor our spirituality. When esencial oils are absorbed through the skin they reach the blood vessels and through them are transported to the whole organism. Thus, they reach the organs and tissues where they exert their actions.

### Swedish Massage

45 min \$70 – 60 min \$90

It is a massage designed to release tensions and reaffirm muscles and joints. Its toning and relaxing effect favors blood lymphatic circulation, removes toxins, and helps the body to rediscover its natural balance.

### Deep Tissue Massage

70 min \$ 125

Deep tissue massage is a technique that focuses on the deeper layers of muscle tissue.

Its objective is to release the chronic patterns of tension in the body through slow movements and deep pressure with the fingers in the problem areas. Deep tissue massage usually focuses on specific areas and can cause some pain during or after the massage.

You should feel better than ever in a day or two.

### Hot Stone Massage

75 min \$130

It is a technique that is done with volcano stones in motion by all the muscles of the body and imposition (stones distributed in different fixed zones, taking into account also the energy meridians and the chakras) which produces physiological and organic reactions with a high level of benefits and pleasant sensations.

## *Special Massages*

### **Special Arenal Kioro massage**

75 min / \$140

Massage performed with our volcanic clay that with its detoxifying and anti-inflammatory properties help lower muscle tension and eliminate contractures. At the same time providing softness and luminosity to the skin.

### **Honey & sesame oil massage**

75 min / \$110

Inspired by the Cleopatra beauty ritual, a rich mixture of honey and sesame oil, which will eventually be removed with natural milk, leaving your skin soft and hydrated.

### **Chocolate Deluxe Massage**

75 min / \$110

The smell of chocolate reduces levels of stress and anxiety. The aroma of this exquisite oil is both mystical and magical. The large amount of antioxidants present in chocolate help neutralize free radicals. The healing power of chocolate essential oil makes it useful for pain relief. There is evidence that the smell of chocolate, when inhaled, brings a feeling of relaxation, serenity and calm.
