

Cancellation policy & pricing

We highly value your time and well-being. We understand that unforeseen delays can sometimes disrupt schedules, which will result in adjustments.

If you find it necessary to cancel your appointment, we kindly request that you provide us with at least 8 hours' notice.

Please be aware that if you arrive late for your scheduled service, accommodating you may be challenging due to other appointments your therapist might have. In such cases, your session time may need to be shortened to fit your allocated time, or we will make every effort to reschedule your service at a more convenient time for you.

Should you need to cancel or reschedule within less than 8 hours prior to the agreed-upon time, a cancellation fee equal to the booked wellness procedure will be applied.

We appreciate your understanding and cooperation in ensuring a smooth and enjoyable experience for all our valued clients.
