### LEGALITY OF FOREIGN WEDDINGS IN SOUTH AFRICA

The law in South Africa requires a foreign couple to attend an appointment at the Department of Home Affairs before they can be legally married in South Africa. Since this is quite a cumbersome task for someone on safari, we suggest that you process all legal marriage documents in your home country and enjoy your ceremony on safari in a more traditional way.

- The above fee is applicable over and above the accommodation charges and utilises the standard Lodge facilities.
- Please note that additional fees may apply for same sex marriage services due to no local available ministers.
- The above fee is subject to change and best confirmed at time of enquiry.
