

Welcome to Ulusaba Private Game Reserve

WHERE IS ULUSABA?

Ulusaba Private Game Reserve is located in the western sector of the Sabi Sand Reserve near Kruger National Park in the Mpumalanga province of South Africa. It's approximately 1 hour 20 minutes by twin-engine aircraft to our own private Ulusaba airstrip (ULX) from Johannesburg International Airport (JNB), 30 minutes from Nelspruit (NLP) and 20 minutes from Skukuza (SZK) via a charter hop. Get a window seat - the view's terrific! You can also come by road too from Nelspruit, which will take about 2½ hours. Try and arrive by 1pm - just in time for lunch!

HOW MANY ROOMS ARE THERE?

Ulusaba has two beautiful lodges just five minutes' drive from each other.

Rock Lodge is on the summit of a koppie set against the backdrop of the Drakensberg Mountain range far in the distance. Rock Lodge includes the exclusive two bedroom Cliff Lodge and can accommodate a total of 20 – 25 guests in its 10 rooms and suites.

Safari Lodge is built along the banks of the dry Mabrak riverbed. Guests will love the sense of adventure as they cross the rope swing bridges between exquisite stilted rooms, created and inspired by local and natural materials, with elephants, bushbucks, lions and other local wildlife passing by. Safari Lodge can accommodate 20 guests in its 10 rooms.
