

# Olive Grove Guesthouse

Stylish comfort, ideal location and warm hospitality in the heart of Windhoek!

## Simplicity with style in abundance

The 11 en-suite rooms are spacious and the cemented brick cupboards and bed bases are beautifully rounded off with thick mattresses, quality linen, cane basket drawers, wrought-iron furniture, and as a special touch, different Moroccan lampshades and a silver Moroccan teapot. Care was taken to ensure that the mini-bar is stocked with everything from wine to nuts and that every room has proper filter coffee and a plunger. The contrast between the rustic cement, off-white linen, old silver and luxurious touches, is enchanting. One of Olive Grove's main features is the large veranda in front of the rooms.
