La Residence has its own in-house Spa Therapist with whom you can book an appointment at Reception. Treatments can be enjoyed in our double treatment room, or privately in the comfort of your own suite.

If you are keen on more strenuous activity, we also offer the use of a gym equipped with cardiovascular equipment and free weights.

La Residence's owner, Liz Biden, handpicks all the items in our Curio Shop. Enjoy browsing through books, garments, handbags, jewellery and other accessories that are on sale at the shop.

THE SITTING ROOM

Enjoy pre-dinner drinks or afternoon tea in front of a roaring fireplace in winter, or laze away indoors on a hot summer's afternoon.

THE SWIMMING POOL

Bask in the warm African sun around our sparkling swimming pool or recline on a sun-lounger under a shady umbrella. Enjoy the tranquility of the spiritual Indian Rill and the majesty of the breathtaking mountains surrounding La Residence.

THE LIBRARY

Please feel free to browse through our library with a collection of old and new fictional and non-fictional titles to choose from. We encourage a book-exchange system for our fictional books so feel free to change up the novel that you have just completed.

MAIN ENTRANCE

Dining

While the day begins with a lavish breakfast buffet, lunch at La Residence's restaurant is fresh and flexible. La Residence's chefs present seasonal menus: dishes are made using the best local ingredients and produce freshly picked from our own kitchen garden.

The Persian Alley dining area borders a bubbling rill that flows between lush green lawns and luxuriant floral borders. This is a delightful setting for al fresco summer meals.

Dining at La Residence restaurant is always a leisurely experience. Begin with an apéritif in the loggia to experience sunset over the dam, or sit beside the fire for cocktails and canapés by candlelight. Our dining area is reminiscent of a manor hall, resplendent with dazzling chandeliers, black and white flooring and vast fireplaces.

For something a little different, indulge in your own personalised cookery demonstration at our Chef's Table, a beautiful marble table in our restaurant dining hall, where meals are tailored to suit to your personal tastes and needs.

Excellent South African wines complement all menus at La Residence's restaurant.

The Franschhoek Valley and surrounds are famed for world-class winemaking and delectable cuisine.
