Comfy Room

23 rooms located on all 3 levels of the hotel overlook the garden or restaurant. With both twin and king bed configurations, rooms all offer a luxury en-suite shower. Easy contemporary styling and ultra-modern fixtures are combined with subtle period-inspired décor details.

Whimsy Room

12 rooms on both ground and first floor levels are some of the hotel's signature accommodations – with generously spacious interiors that include a deluxe bathroom and separate shower. These rooms boast a blend of old and new comforts, with rich colourings and period-styled furnishings.

Plenty Room

23 rooms on the ground, first and second floors enjoy views of the garden or the shady restaurant courtyard. These slightly larger rooms include an en-suite bathroom with separate shower and twin or king beds. 21st Century comforts are beautifully married with soft tones, textures and subtle period inspirations.
