

BMW iX xDrive40

1 - 3 GUESTS

The BMW iX xDrive40 is a luxury fully electric, zero-emissions SUV that offers a perfect balance between performance, range, and comfort. It's powered by two electric motors that provide all-wheel drive, instantly available torque and up to 385 kW of power. The battery has a range of up to 630 km (395 miles) on a single charge and can be recharged for up to 100 km in as little as 21 minutes.

The iX xDrive40 features a 12.3-inch digital instrument cluster, a 14.9-inch touchscreen infotainment system, a Harman Kardon sound system, a panoramic sunroof, a head-up display, and gesture control.

BMW X7 xDrive40d

4 - 5 GUESTS

The BMW X7 xDrive40d is a luxury SUV that offers exceptional driving dynamics and superlative ride comfort. It is powered by a 3.0L turbocharged inline 6-cylinder diesel engine that produces 250 kW of power and 700 Nm of torque. The engine is connected to an 8-speed automatic transmission and all-wheel drive.

The X7 xDrive40d also has a spacious interior with plenty of legroom and headroom for all passengers. The seats are comfortable and supportive, and the ride is smooth on even the most challenging of road surfaces.
