IN CAPE TOWN

Meet your Guides

GEORGE MENYOLI

Chauffeur and Qualified Tour Guide

I was born and raised in Cameroon in West Africa, and I am passionate about helping people.

I have a strong desire to learn and explore which is what encouraged me to pursue my dream of becoming a qualified tour guide. I read daily and love learning about this beautiful continent, and sharing the unique stories of Cape Town and the Cape Peninsula with our guests.

I love history, travelling, adventure, architecture, art, and both winemaking and wine tasting.

PHUMLANI MAGWA

Chauffeur and Qualified Tour Guide

Having been born and raised in Cape Town, I carry many of the city's untold stories with me - and it is these narratives that inspire me to share our history, and to continue discovering new details about our beloved Mother City.

Being able to reveal Cape Town's cultural diversity and place it in the context of the surrounding mountains, beaches and vineyards brings me great peace and joy. If I can make a guest smile, I've done my job.

MICHAEL JACOBS

Art Concierge and Guest Liaison

Growing up in Cape Town, I developed a deep passion for African contemporary art and design. I've been involved in managing and curating local luxury design and art spaces in the city, and had the privilege of helping to bring local designers to the attention of the world.

As a member of the Zeitz MOCAA founding team, I managed the gift boutique and co-created the museum guide programme. I love sharing my enthusiasm for African fashion and design, telling stories through beautiful objects.
