

JABALI RIDGE

RUAHA

The 21,000 km² Ruaha National Park is home to one of the largest populations of elephant in Tanzania, vast herds of buffalo, and super pride of lion. Perched on a rocky outcrop in one of the best locations the park has to offer, Jabali Ridge is a sophisticated retreat with spectacular views of riverbeds studded with spiky palms and baobabs. Jabali Ridge is an exclusive base from which to discover Ruaha on day and night game drives and walking safaris.
