

COMPANY INFO

Springtide Charters offers a variety of sailing charter options on our beautiful sleek 50foot mono-hull sailing yacht. Our highly experienced crew will take to the helm so you can relax and take in the splendour of our rugged coastline; sailing, salt air and scenery, all an exhilarating combination. Once back into the calmer waters of our lagoon, guests have the option to feast on platters of Mediterranean delicacies and sip on delicious South African bubbly.

Where we are: Conveniently located at the popular Knysna Quays Marina, adjacent to popular restaurants and shopping facilities and within walking distance of Thesen Island and the centre of Knysna Town.

SUNSET CRUISE

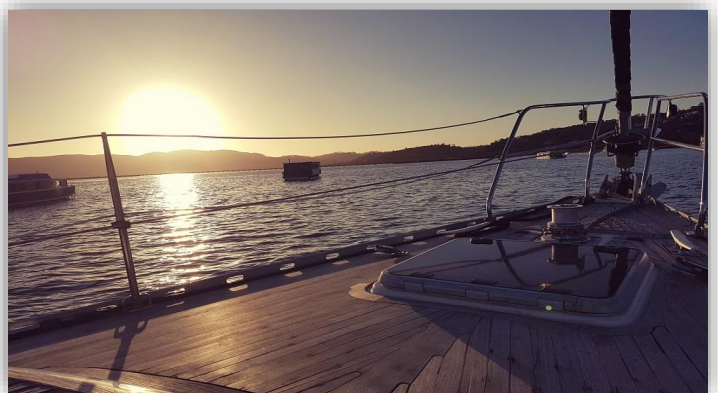

A romantic sunset cruise on board the 50ft yacht, Outeniqua is the perfect way to end your day in Knysna.

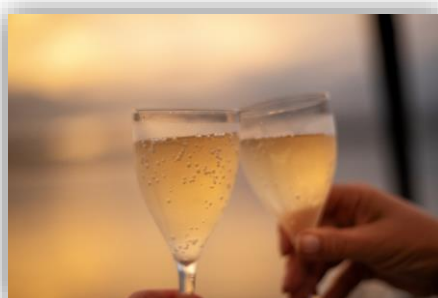

The magnificent Knysna Heads are among the most remarkable features on South Africa’s coastline and a perfect backdrop for an ocean sunset and a spot of bubbly. This sailing activity takes you from the lagoon, through the heads to the open sea aboard a luxurious yacht.

Although we are not a permitted whale watching vessel, guests can expect to see a diverse range of marine life from whales and dolphins to a host of pelagic birds endemic to our pristine coastline.

After a sublime sail, we return to the calmer waters of the Knysna Estuary and serve a delicious feast of Mediterranean style cuisine along with a glass of fine South African Bubbly.

THE ULTIMATE SAILING EXPERIENCE

All our trips are ocean going trips and are weather and conditions permitting. Only the skipper of the vessel can make a judgement call on these conditions which are determined on the day of the charter. Conditions are influenced by tide, wind direction, wind speed & sea swell, therefore going out through the heads is never guaranteed.

Safety

The safety of our guests and crew are our number one priority and each tour commences with a safety briefing prior to departure. Each guest is supplied with the latest approved commercial PFD/Life jackets (the automatic/inflatable /super comfy type).

What to bring:

Camera or Camcorder, warm clothes, sunscreen & sunglasses and cosy socks (we have a strict no shoe policy on-board and guests are advised to bring socks during the colder season).
