

WELCOME
TO
MONT ROCHELLE

Little
Corkers

Welcome to Mont Rochelle, our stunning hotel and vineyard just under an hour's drive from Cape Town, in the heart of the winelands in Franschhoek. We love wine, but we also love 'Little Corkers' too (that's the kids!) and there's plenty of activities for them to enjoy during their stay.

If you have children we'd recommend staying in our beautiful four bedroom villa, the Manor House. This can be booked for exclusive use and is ideal for families as children can stay in the bunk room, with two double and two single beds that can sleep up to six children. It even has an en-suite bathroom with bath and shower.

KIDS OF ALL AGES ARE VERY WELCOME

... at Mont Rochelle and we've got some great activity ideas for kids. Because we know every child is different we do not operate a set programme but would be delighted to organise activities tailored to the needs of our younger visitors.

ACTIVITIES FOR Kids

...staying at the Manor House

- Become a budding chef! Spend the morning creating and cooking homemade pizzas to eat at lunch and cupcakes for the family to enjoy at tea
- Get creative with an afternoon of arts and crafts which will then take pride of place on the corkboard
- Settle in and watch your favourite film with our selection of DVDs or play on the Xbox or PlayStation in the games room

... staying at the Manor House and Main Hotel

- The pool is always a fun place for kids and we have plenty of inflatables and games to play with too (*all children under the age of 16 must be supervised by an adult*)
- Whilst the adults are wine tasting, the kids can taste a wide variety of delicious grape juices

- Little (and big) kids can get competitive with our lawn games that are located around the grounds at the main hotel, Country Kitchen and the Manor House
- Join in on a scavenger hunt that'll end with a kiddie's picnic

... further afield (*additional costs will apply*)

There's so much to explore in the winelands! Here are just a few of our suggested day trips and activities to do with the kids during your stay...

- For the animal lovers visit the Giraffe House, Butterfly World or the Farm Sanctuary to see some of Africa's most wonderful wildlife
- Chocolate and ice cream tasting at De Villiers Chocolate Café
 - An adventurous way to explore the various wine farms around the Franschhoek Valley is to rent mobile scooters (recommended for children 4 years and up)

- Take a hike through the hills, valleys and vineyards surrounding the Manor House, as well as in local reserves. The Mont Rochelle Nature Reserve on the opposite side of the valley offers superb views of the wine valley and on a clear day you can even see Table Mountain and the ocean! The walks vary in length from 3 to 8 hours and are of moderate intensity. You will need to acquire a 1 day permit that costs R30 per person and a map that costs R15. You are welcome to take walks through our farm and our only request is that you stay on the walkways, thus preserving the fragile vines that produce our splendid wines.
- There are some wonderful routes that make it easy to explore the surrounding area on bike. We can arrange bike rental with a local company, just let us know and we can book these for you.

HARVEST

During the Harvest period (usually between January – March) guests (and kids!) are more than welcome to help us out by picking grapes and stomping with our expert wine stompers.

DINING

There are two restaurants at Mont Rochelle: Miko and The Country Kitchen. Miko is our main restaurant and the setting for some fantastic gourmet meals including those for special occasions. Adjacent to the winery is The Country Kitchen, an ideal spot for a light lunch in the sunshine. Both restaurants aim to showcase the very best produce and seasonal ingredients from South Africa.

We know children can sometimes be fussy so special food and beverages can be prepared according to your child's tastes.

**Exclusive use of the Manor House includes breakfast, lunch or dinner at either of our two restaurants or you could opt to dine privately in the house.*

BABYSITTING

Babysitting can be arranged and a charge will apply but please advise at the time of booking if this may be required.
