

HOW TO GET TO ONE NATURE NYARUSWIGA

The closest airstrip to One Nature Nyaruswiga is the Seronera Airstrip.

Kindly find below, the viable options on how to get to our property:

1. FROM KILIMANJARO INTL. AIRPORT (JRO)

If you are flying directly to Kilimanjaro International Airport and arrive in the morning, you can easily avail of a connecting flight directly to the Seronera Airstrip.

Where flights do not allow adequate time for connection, a One Nature representative will be on hand to drive you to Arusha where you will stay overnight in one of our recommended city hotels and take you to your scheduled charter flight to Seronera the following day.

From Kilimanjaro International Airport, it is a 1-hour and 30-minute drive to Arusha.

From Arusha Airport, 45 minute to 1 hour domestic flights are readily available during the day to take you to the Seronera Airstrip.

2. FROM DAR ES SALAAM (DAR)

If you enter Tanzania through Julius Nyerere International Airport, it will only take a 5-min ride to the airport's domestic terminal to catch a connecting flight directly to the Seronera Airstrip.

If there are no longer any connecting flights available upon your arrival, we can arrange to book you transportation to one of the city hotels where you can stay overnight and connect with the scheduled charter flight to Seronera the following day.

3. FROM NAIROBI

3.1 TO SERONERA

Flights from Nairobi to the Seronera Airstrip in the Serengeti are available. Guests must double check if the flight is from Jomo Kenyatta International Airport or from Wilson Domestic Airport.

If the flight is from the Wilson Domestic Airport, guests will need to have adequate time to pass immigration, pickup their luggage and transfer to the domestic airport. The two airports are approximately 25 to 45 minutes apart depending on traffic. These flights are not direct flights, they stop at one of the international entry points of Tanzania where the immigration department has presence. There, guests will have adequate time to purchase their Visa upon arrival if their passport is eligible for that.

Once all guests' passports have been processed the flight will then proceed to the Seronera Airstrip directly.

3.2 TO KILIMANJARO

If you have a connecting flight to Kilimanjaro see the details in section 1 above.

AT THE SERONERA AIRSTRIP

Finally, once you arrive at the Seronera Airstrip, your personal safari guide, who will take you on a short but scenic game drive to the property, will be on hand to meet you.
