

A ROYAL FAMILY SAFARI

Family Rooms

As a family owned property, we pride ourselves in being family friendly and offer a few comfortable and luxury family suite options. The dedicated family unit consists of our two Deluxe suites (6 & 7) which offer a shared seating area between the rooms for the whole family to enjoy.

We also have 3 Presidential suites on offer for families wanting to be under one roof, with the addition of extra beds and mosquito nets for the comfort of the entire family. These suites have been designed as a large open plan home-away-from-home and befitting of the wilderness surroundings.

Child-minders

This can be arranged on request for the duration of the guests stay.

* Please pre-book this with the lodge. Rate: \$10 per hour for 2 children. \$5 per child thereafter.

Fishing Lessons

Dedicated fishing guides are on hand to teach kids how to rig up their own rods, explain the equipment used and teach them how to fish for species such as bream and Chessa.

For the older kids who may have a little more patience and strength there is Tiger fishing. Fishing tackle hire of \$25 pp/per day applies as per rate sheet.

The Royal Waterhole & Hide

Families can sit and observe animals in and round the waterhole. It is close to camp and provides the perfect game viewing experience for the whole family.

Family Safari Activities

Choose from a selection of other safari activities suitable for the kids, from game drives to boat cruises and cultural village tours.

Plus enjoy stargazing from the lodge using a state of the art Celestron Astro FI 130 telescope .

Royal Zambezi offers a wide range of safari experiences to be enjoyed as a family.

Conservation Education

We are proudly situated next door to Conservation Lower Zambezi, an organisation whose tireless efforts towards conservation and community gives our wildlife and communities hope of a brighter future in the interest of our children. The team at CLZ offer a tour around their facilities, including their interpretation room which houses artefacts, confiscated poaching tools, animal skulls, seeds, animal spoor moulds and many more educational platforms for children to learn the vital importance of conservation. A minimum of \$10 per person donation is kindly requested to assist CLZ with their ongoing efforts towards conservation and education projects.

" The best legacy we can leave our children is happy memories." ~ Unknown
