KAINGU COMMUNITY TRUST

The Kaingu Community Trust was started together with Kaingu Safari Lodge. It supports projects which benefit the local community and the Itumbi Community School which provides education for over 400 children.

\$10 of every guest stay goes towards the Kaingu Community Trust.

All materials and much seasonal produce are sourced from the local communities, who are paid accordingly, in an effort to recognise the value of these resources.

In addition, a contribution of \$5 for every bed night supports directly the work of two specialist anti-poaching teams, so guests can be assured of a direct link between their stay and poaching reduction in the Kafue National Park and surrounding Game Management Areas.
