

# Thorntree River Lodge

MOSI-OA-TUNYA NATIONAL PARK, ZAMBIA

## A HAVEN OF SERENITY ON THE BANKS OF THE AWE-INSPIRING ZAMBEZI RIVER NEAR VICTORIA FALLS

Thorntree River Lodge is set in Zambia's Mosi-Oa-Tunya National Park, just 20 minutes from the famous Victoria Falls. The lodge has drawn inspiration from local customs and cultures to create a modern and contemporary design with tented roof structures to maintain the feel of Authentic Africa.

There are eight luxury suites and two luxury family suites that are situated along the edge of the mighty Zambezi River. Each unit has its own indoor and outdoor bathroom as well as a luxurious private plunge pool, deck and direct river view.

The main lodge consists of a lounge with an open dining area, where the fine dining experience of African cuisine will come to life. The communal deck overlooks the stunning riverside and is home to a sunken boma area and an infinity pool. Wooden decking floats on the river's edge and moves with the water levels to create the illusion of sailing a boat.

Take advantage of a combination of wildlife, culture, and adrenalin activities on offer in the area. From our lodge, we offer daily excursions to the Zambian side (and Zimbabwean side – in the dry season) side of Victoria Falls, private river cruises, cultural visits, fishing expeditions, canoeing, rhino tracking and game drives, all included in your stay.

Additionally, we can book external activities, such as guided rainforest walks, bungee jumping, and helicopter flips over 'The Smoke that Thunders' on your behalf.
