PASSENGER AGREEMENT AND TERMS AND CONDITIONS

By signing this document, or otherwise indicating your assent in writing, you agree to the terms and conditions set forth in this document. **Borton Overseas** (“we” or “us”) is providing the trip described or named in our Reservation Form (the “trip”). These terms and conditions apply to the trip and the program/itinerary for the trip.

1. **RESERVATIONS AND PAYMENTS:** The per person payment schedule is as follows:

30% Deposit..... due at sign up and confirmation
Final trip balance due by November 1, 2022

2. **CANCELLATION POLICY:** Cancellations for all or any part of the trip will not be effective until received in writing in the offices of Borton Overseas. When commercial airline tickets are purchased separate from the trip, different payment and cancellation terms apply and are detailed on your flight reservation confirmation. **The trip cancellation schedule is as follows:**

- More than 90 days before departure date..... Loss of deposit
- 89 days or less 100% of total trip cost

Your decision not to participate on the trip due to State Department or Centers for Disease Control advisories or warnings, fear of travel, or for any other reason will be deemed a cancellation.

The above fees are in addition to any airline-enforced cancellation fees. If a flight or other delay for any reason prevents you from joining the trip on the trip start date, you must advise the designated local supplier immediately. No refund will be available, but the local supplier will assist you in resuming your itinerary.

No refund can be made for any tour accommodation, service, or feature that you do not utilize or voluntarily change. If you cancel while the trip is in progress, there will be no refund for unused portions. Gorilla and chimp tracking permits are non-refundable and non-transferable.

3. **TRAVEL INSURANCE:** Emergency medical and evacuation insurance coverage is required for all participants. We recommend that you purchase trip insurance with coverage for cancellation. If you must cancel your participation, trip insurance may be the only source of reimbursement, if you cancel for a covered reason. For your convenience, an optional Travelex Insurance plan is offered by Borton Overseas and can be viewed on the Documents tab of the digital itinerary (or from the Borton website: www.bortonoverseas.com). If purchased within 21 days of trip confirmation, you will be eligible for the waiver of pre-existing medical conditions exclusions. Additional policy options are available during this period. Please see the policy for further information. If you are not completely satisfied within 15 days of purchasing the plan, Travelex Insurance will refund your premium cost if you have not departed on your trip or filed a claim. If you decline to purchase any trip cancellation/interruption coverage, you may be personally responsible for any financial loss associated with your travel arrangements. A waiver for declining insurance will be sent and required for your participation.

The product descriptions provided are only brief summaries. Travelex Insurance Services, Inc CA Agency License #0D10209. Travel Insurance is underwritten by Berkshire Hathaway Specialty Insurance Company, NAIC #22276.

4. **AIRFARE:** International flights to Tanzania are not included in trip cost. Participants are welcome to book their own flights, especially if using frequent flier miles or other type of rewards program. If you make your own flight arrangements, advise Borton Overseas of your intended flight itinerary **before** purchasing tickets to ensure your flight dates & times will work with the group arrangements. **IMPORTANT - DO NOT BOOK FLIGHTS UNTIL YOU HAVE BEEN ADVISED THE GROUP IS CONFIRMED TO GO!** Airfare is subject to change and availability and, depending on the fare basis, likely is nonrefundable. Your airline ticket constitutes a contract between you and the airline, even if purchased through Borton Overseas. Borton Overseas is not responsible for fees assessed by air carriers resulting from operational and/or itinerary changes, or optional extras such as upgrades, seat reservations, baggage, etc.

5. **PRICE INCREASES:** All rates and fares are those in effect at time of confirmation and are subject to change without notice. While every effort is made to avoid unnecessary price changes, due to the volatility of the foreign currencies we work with, all prices are subject to change. Destination countries increase their VAT taxes from time to time. Some suppliers impose energy surcharges or other price increases. Prices are also subject to increase due to currency fluctuations. Any such increases will be applied to your total due at the time of final payment. Any tour-included internal airfares are subject to unexpected supplemental price increases which may be imposed after the date of purchase. Post-purchase price increases may be applied due to additional costs imposed by a supplier or government. Destination countries increase their VAT taxes, park fees and conservation fees from time to time. Any such increases are beyond our control and will be applied to your total due at the time of final payment. Some governments charge departure taxes and/or fees. These fees are the responsibility of each passenger traveling to the designated country and are not included unless stated. Acceptance of our terms is your consent to any post-purchase price increases and upon notification, Borton Overseas authorization to charge your card for such additional fees.

6. **BAGGAGE:** Luggage allowance policies are set by the smallest aircraft on your itinerary. Luggage allowance is 1 medium size duffel with a maximum total weight of 33lbs per person including carry on. Baggage is at owner's risk throughout the trip. Airlines, buses, vans, and other modes of transportation may all have weight and size restrictions on luggage. It is your responsibility to comply with all baggage restrictions.

7. **PASSPORTS, VISAS, AND OTHER ENTRY REQUIREMENTS:** Tanzanian's current entry requirements are as follows and subject to change without notice:

- Travelers must have a passport valid 6 months beyond your intended return travel date, with one (2) blank visa pages (amendment & endorsement pages and the inside back cover do not count towards this requirement);
- US travelers must purchase a visa for entry into the country; the current visa entry fee is \$100 per person and must be purchased in advance online and is not included in trip cost. Instructions will be provided in your pre-departure information.

If one parent or guardian plans to bring a minor child without the other parent(s), some countries and airlines have strict documentation and permission requirements. Please speak with your agent if you are unsure about the visa requirements for your travel destination. You are solely responsible for complying with passport, visa, and other foreign entry requirements and vaccinations.

Notice of COVID-19 requirements

As of March 2022, Tanzania has the following entry/exit requirements in place for all travelers. Testing costs are not included in trip cost. These requirements are likely to change over the next several months, and Borton Overseas will update you on any changes.

- Travelers are permitted entry with a negative PCR COVID-19 test taken within 96 hours of boarding first flight from origin.
- All arriving passengers are required to complete a Traveller Surveillance within 24-hrs of their arrival into Tanzania and must undergo a mandatory COVID-19 rapid test at the arrival airport (test cost is \$10 and to be paid locally).
- The US government currently requires all in-bound travelers to have a negative PCR or antigen* COVID-19 test within 1 day of departure to USA. **Always check airline rules as some airlines require a PCR test.*
- All travelers are expected to comply with any government requirements while within Tanzania, including but not limited to wearing masks and social distancing in public places, abiding by curfews, following restrictions on public transportation, having temperatures taken, etc. Failure to comply may result in verbal warnings, temporary detainment, or arrest.
