LIFE AT OTAHUNA

COOKING CLASS

Culinary excellence is a cornerstone of the Otahuna experience. A hands-on cooking lesson with Executive Chef Jimmy McIntyre provides an enjoyable overview of the philosophies behind the Lodge's celebrated food and wine programme as profiled in *Bon Appetit*, *Conde Nast Traveller*, and *The Financial Times*. Classes incorporate a harvesting visit to Otahuna's working gardens, provide an introduction to planning menus and offer a special chance to learn first-hand cooking techniques in our kitchens before tasting the results for yourselves.

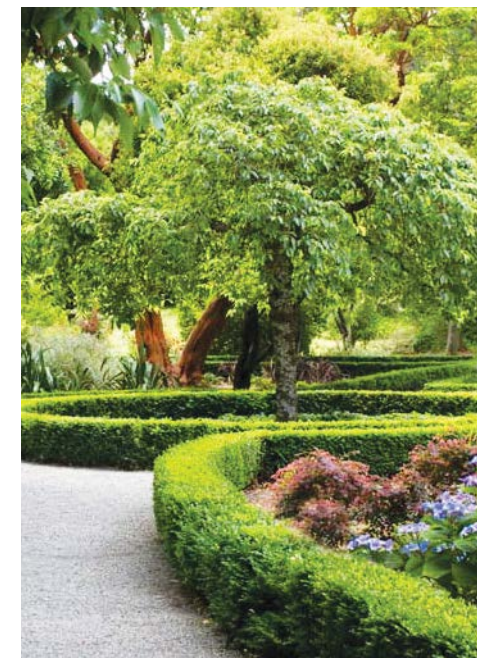

Allow 1 or 3 Hours. Requires advance booking.

Price: \$250 for up to two guests for 1 Hour; \$50 per additional guest
\$750 for up to two guests for 3 Hours; \$50 per additional guest

GARDEN TOUR

Recognised as a Garden of National Significance, Otahuna's 30 acres have been renowned in New Zealand for well over a century. A guided tour with Head Gardener Steve Marcham or a member of his team illuminates the stories behind the property's rich history and its continued modern-day restoration. A visit to the many themed areas including the formal Dutch Garden, Great Lawn, and Woodland suggests what domestic life was like on the estate 115 years ago both for the owners and their fleet of staff. Plus, this tour provides insight into how the productive gardens carry on the tradition of supplying the house with hundreds of varieties of fruits, nuts, vegetables, mushrooms and cut flowers.

Allow 1 to 1 1/2 Hours

Price: Complimentary for Lodge Guests

RELAXATION

A day spent relaxing at Otahuna is an experience in itself. Guests may indulge in a 60- or 90-minute massage with one of our therapists in our contemporary Woodland Massage Studio nestled amongst century-old trees and with views to the nearby Port Hills. Or, you can take a dip in the property's heated swimming pool or spa pool. Additionally, a round of tennis or a game of croquet can always be arranged.

Price: \$295 for 1 Hour Massage
\$395 for 1 ½ Hour Massage

PICNIC LUNCH

Few experiences are more evocative of the Edwardian lifestyle than savouring a gourmet picnic hamper on a lazy afternoon in the Otahuna gardens. You choose your location and our team will provide the rest, including a New Zealand bottle of red, white or sparkling wine. Or, take the hamper with you to a waterfall in a beech forest, a cliff overlooking the Pacific Ocean or a host of other iconic Canterbury locations.

Price: \$100 per couple

WALKING & BIKING

Otahuna offers hybrid bicycles and walking maps for exploring the gentle 6-kilometre (4.2 mile) loop of the Otahuna Valley. Quiet country roads wind through local farms set against the backdrop of the steep Port Hills. Visits can be made to local Tai Tapu cafés or the nearby private gardens at Frensham. More adventurous guests can take advantage of the walking trails in the adjacent Port Hills or join a cycling guide for a tour of the Port Hills Summit Road with its spectacular views over Christchurch on one side and vistas of Lyttelton Harbour on the other.

LIFE BEYOND OTAHUNA

AKAROA & BANKS PENINSULA

No trip to Otahuna is complete without discovering the dramatic Banks Peninsula and its extinct volcanic harbour. Your expert guide will drive you from the Lodge around the base of the Port Hills to Hilltop where you will have wonderful views over Akaroa Harbour more than 1000 feet below. Descending into Akaroa, New Zealand's only original French settlement, you will board a two-hour scenic cruise taking in views of the dramatic coastline and getting up close and personal with Hector Dolphins (the world's smallest and rarest dolphins), Fur Seals and Little Blue Penguins. Back on shore you can explore the local shops and colonial architecture of the quaint seaside village or visit one of the region's most interesting gardens.

Allow 8 Hours

Price: \$1700 for up to two guests including a scheduled group harbour cruise of Akaroa and gourmet picnic hamper or café-style lunch with wine. A private harbour cruise of Akaroa can be arranged as an alternative with this excursion.

BANKS PENINSULA FARM TOUR AND E-BIKE EXPLORER

Discover a whole new side to the Banks Peninsula on this unique excursion. Depart from the Lodge in the morning for the stunning, privately-owned Raupo Bay Farm located in the Peninsula's scenic outer bays. There, one of the property's owners will provide a genuine New Zealand farm experience including running of herding dogs, shearing of sheep and walks around some of the farm's highlights including a visit to a Maori Pa site and seal colony. After lunch—taken either at the owner's private home or as an outdoor picnic on Raupo Bay's sandy beach—you'll set off on a 15-20km, guided e-bike tour along back roads to discover some of the region's most picturesque, unknown corners. After soaking in the views of rugged coastlines and volcanic hills blanketed with emerald pastures and native bush, you'll enjoy light refreshments before returning to the Lodge.

Allow 8 Hours

Price: \$1975 for up to two guests including refreshments and picnic lunch with wine.

GRAND GARDENS

Discover two of Canterbury's most celebrated private gardens with this "invitation only" excursion to both Fisherman's Bay and Ohinetahi. You will be driven by your guide in the morning to the volcanic Banks Peninsula, taking in the scenic views from the Summit Road before arriving at Fisherman's Bay. Here, the owners will welcome you into this unique "painter's garden" which explores colour and texture through combinations of native plants, perennials and grasses. Following lunch in the historic French settlement of Akaroa you will be spirited to Ohinetahi, the private gardens of New Zealand's most decorated Architect, Sir Miles Warren. Ohinetahi consists of a succession of outdoor "rooms" overlooking Lyttleton Harbour. An extensive array of sculpture by acclaimed New Zealand artists as well as a small modern art gallery contrast elegantly with the property's original mid-19th century homestead.

Allow 7 Hours

Price: \$1350 for up to two guests including garden admissions. (Lunch not included in tariff.)

TRANZALPINE ADVENTURE

Embark on one of the world's great train journeys, the TranzAlpine, which traverses across the South Island's majestic landscapes. Your guide will transport you at 7:45AM from Otahuna to nearby Rolleston Station. You will then experience the most scenic part of the rail journey as the train climbs into the heart of the Southern Alps, winding its way along the bright blue Waimakariri River and through dramatic alpine valleys before arriving at Arthur's Pass National Park. Here, your guide will meet you for a hike in moss-laden forests teeming with glacial streams and waterfalls followed by a café lunch or picnic. You might even meet a kea, the world's only alpine parrot. On your return via road to Otahuna, you may wish to stop at the monolithic limestone outcroppings of Castle Hill, one of the primary film locations from "The Chronicles of Narnia."

Allow 9 Hours

Price: \$1800 for up to two guests including gourmet picnic hamper or café-style lunch with wine.

Option: Add a bit of an adrenaline rush to your return road journey with the chance to experience a thirty-minute jet boat ride through the stunning canyons of the Waimakariri River gorge.

CHRISTCHURCH HIGHLIGHTS

A half-day guided tour of Christchurch provides a fascinating introduction to New Zealand's second largest city. Your guide will provide an overview of the city's English colonial history, how the area was affected by the 2010 and 2011 earthquakes and the vision behind one of the largest municipal rebuilding opportunities in human history. Count on a visit to the outstanding Quake City exhibition in Central Christchurch, the newly opened Christchurch Art Gallery, the neo-Gothic Arts Centre as well as a tour of the Garden City's wonderful parks including the internationally recognised Christchurch Botanic Gardens.

These vineyards are family-owned, and you will have the chance to meet some of the fascinating personalities who help to create such special wines.
