

# ACTIVITIES SHEET

These are additional activities available during your stay at Sava Dunes.  
The below activities are not included in the complimentary activities (detailed on the rates sheet) and need to be booked & paid direct at the lodge on arrival.

\*\* Please note that the transfer costs to and from the meeting point of your chosen activity are not included in the below activity rates and these will be charged separately and settled with the lodge directly. The transfer rates are on the rates sheet and listed beneath the activity list below.

Please note that all activities are weather and nature dependant and thus actual locations of the activities would depend on currents and tides. Deep dive sites can be affected by currents and shallow sites can be affected by surges.

Tofo is quote a famous dive destination and there is good chances of sighting "big marine life". The biodiversity around the area is excellent and sightings (We do not guarantee any) have included - leatherback turtles, hammerheads, orcas, marlins and Whale Sharks.
