### --- Breakdown & Roadside Assistance

Assistance will be provided in the event of a breakdown or any road side emergency by our representatives authorized to do so. Where a vehicle can't be repaired, a replacement vehicle will be delivered. Recovery of the vehicle and/or roadside mechanical assistance will necessitate extra charges and be billed to the client, **except where such a vehicle failure is not caused by the client**. Where a vehicle cannot continue under this agreement due to negligence, accident or fault on behalf of the Renter this agreement will become null and void.
