

## **BOTSWANA ADVENTURE** **OPTIONAL EXCURSIONS 2023**

(Updated October 2022)

During your tour/safari there will be various optional excursions available to you. Please note these optional activities are operated by independent third-party suppliers, not Kiboko Adventures. Some of these activities involve outdoor adventure, and as such contain an element of risk. You should only participate in activities that you feel comfortable you can handle. Please remember to check if your travel insurance covers these adventure activities.

Once on the Kiboko vehicle there will be a detailed description of each activity to read through before booking.

### **BOTSWANA**

#### **Maun**

##### **Scenic helicopter flights over the Okavango Delta from Maun (Helicopter Horizons)**

45min scenic – **USD265pp**

*Note: Minimum 2 pax per flight*

A scenic flight from Maun provides fantastic aerial access to the magical beauty of the Delta within a few minutes from lift off. The complex bushland soon opens up to stunning floodplains, crisscrossed with waterways, hippo highways and animal tracks. These floodplains are populated by grazing lechwe and scattered with isolated palm islands where buffalo laze in the shade and elephants meander through on their never-ending quest for food. Beyond the floodplain scenes you will fly over a mosaic of ecologically important woodlands and productive grasslands that support species that don't like to get their feet too wet, such as giraffe, impala, wildebeest, and predators moving through this wildlife rich area. This incredible scenic flight allows you to experience the wonderful variety of diverse ecosystems in one awesome adventure, taking you to the permanent waterways, palm islands and lagoons that constitute the heart of the south-western Okavango Delta. On your way back to Maun, you will experience breath-taking views of the seasonal floodplains west of the main Boro channel. Doors are removed for unrestricted views, which offers great photographic opportunities and guests are provided with headsets for constant communication with our very knowledgeable pilots, guaranteeing a highly informative and expertly guided adventure.
