Place of miracles

We live in a world in which the demand for change governs a quest for progress that often treads unthinkingly on its heritage. There are places though, that still exist – wide and untouched expanses of an unchanged world – as a reminder of ageless wonder and beauty. And it was to play a part in preserving the quiet majesty of these places that Singita was created.

Luhe Buiters.

Life in balance

Singita, 'place of miracles' is inspired by a philosophy of keeping life in balance. Our passion is founded upon three fundamental pillars of modern conservation, namely: preserving iconic spaces; protecting the wildlife that inhabits those spaces; and collaborating with neighbouring communities.

Lasting purpose

We work together with local people so communities may proudly and independently sustain – and pass on – the value of Africa's heritage to future generations.

Preservation and Protection

Our endeavour is to preserve and protect the wildlife that exists in each unique region.

Upliftment

Partnering with people living in and around the lodges is an important part of our focus to promote education and independence so to create sustainability within local communities.

Untouched remoteness

Singita Pamushana Lodge overlooks a lake in the remote reaches of the Malilangwe Wildlife Reserve in Zimbabwe, comprising 38 different habitat and ecological zones in 150, 000 acres of pristine land.

Rare Opportunities

Virtually untouched, Malilangwe Wildlife Reserve holds one of the highest concentrations of black rhino in Africa and fourteen species of eagle. Rare species are found here alongside the 'Big-5'.

Inspired by tradition

This forest-like lodge, with its rough-hewn architecture, is inspired by the culture of the Shangaan people who have lived in the region for thousands of years.

Vibrant, bold and vivid

The indigenous art, myriad textures and organic shapes found in this area have influenced the flamboyant, authentic interiors.

A man in a khaki safari uniform stands in a lush green savanna. Behind him is a large, ancient-looking tree with thick, gnarled branches. The scene is bathed in the warm, golden light of late afternoon or early morning. The man is looking directly at the camera with a slight smile. The background shows rolling hills and more trees under a clear sky.

An experience in excellence

Our skilled and experienced miracle makers fulfil the promise of an unforgettable safari experience, at every turn.

Magnificent safari

Amongst hundreds of majestic baobab trees, you'll find ancient rock-paintings and a variety of rare and abundant wildlife and bird species - a life-changing adventure where your story becomes a part of ours.

Singita Pamushana

Location of Malilangwe Wildlife Reserve [A]

The Malilangwe Wildlife Reserve is set on 150,000 acres of wilderness in the south eastern corner of Zimbabwe, bordering the Gonarezhou National Park. Malilangwe remains virtually untouched by humankind and occupies a key position in an area that is potentially one of Africa's largest bio-refuges. The vegetation on the ridges and rocky outcrops is characterized by flat-topped mountain acacia woodlands and ironwood thickets. The area is home to hundreds of baobab trees and an unrivalled gathering of birds with more than 500 species, including many raptors. Here you will find Singita Pamushana Lodge, one of Africa's most exclusive, remote hideaways.

Location of Singita Pamushana Lodge [B]

Singita Pamushana Lodge is set amongst towering trees overlooking a 1500-acre lake in the remote reaches of the pristine Malilangwe Wildlife Reserve in Zimbabwe; which spans some 150,000 acres of wilderness in the south-eastern corner of Zimbabwe, bordering the Gonarezhou National Park. This forest-like lodge, with its rough-hewn architecture, is inspired by the bold and vibrant culture of the local Shangaan people who have lived in the region for thousands of years. Beyond the lodge, hundreds of baobab trees punctuate the untouched wilderness of ridges, outcrops, ironwood and mountain acacia woodlands which are home to a great variety of rare and abundant wildlife, as well as hundreds of bird species and ancient rock paintings.

What you need to know

Best time to go on Safari

Southern Africa is a year-round destination. Traditionally the dry winter months (April to October) are best for game viewing, due to the shorter grass, lack of foliage and the absence of water which forces the game to concentrate around the remaining sources of drinking water. Annual rainfall, usually in the form of short afternoon thunder showers that clear up within an hour, occur from December to March. Many species give birth to their young around the start of the rains, so the bush is alive with newborn animals.

Seasonal Temperatures

Temperatures range from:			
Spring (Sept - Nov)	Average Minimum	20°C	68°F
	Average Maximum	32°C	90°F
Summer (Dec - Feb)	Average Minimum	23°C	73°F
	Average Maximum	32°C	90°F
Autumn (March - May)	Average Minimum	19°C	66°F
	Average Maximum	27°C	81°F
Winter (June - Aug)	Average Minimum	15°C	59°F
	Average Maximum	24°C	75°F

The above temperatures are the monthly average. The absolute temperatures differ from these temperatures.

Your Packing Guide

Cotton clothing in neutral colours is recommended for game drives and bush walks. It is advisable to avoid white and dark colours as they tend to attract certain bugs. No formal wear is required at any of our lodges.

Seasons dictate comfort and comfort dictates clothing, so we recommend that you pack as follows:

- October – April: Casual summer clothes (shorts and cool shirts) and a warm jersey/sweater for the cooler morning and evening temperatures
- May – September: Casual light clothing and a very warm parka/jacket for the extremely cold mornings and nights

It is a good idea to bring along the following items for a carefree safari:

- Comfortable walking shoes/track shoes/hiking boots for walks; and sandals to wear around the lodge
- Swimming costume/bathing suits, sun block, sun hat, sunglasses, lip balm, mosquito repellent (The latter two items are provided but you are welcome to bring along your favourite brand)
- Video camera, camera, binoculars, spare memory cards

Please note that in the event of rain during a game drive, waterproof ponchos will be provided.
