CONDITIONS OF CARRIAGE

This ticket is a contract between the passenger (the ticket holder) and the licensed air service operation: i.e. Comair Flight Services (Pty) Ltd. (the holder of Air Service License N1015D issued in terms of the provisions of the Air Services Licensing Act, 1990 (A115 of 1990)).

This ticket is an undertaking by the operator, referred to above, to carry the passenger and his baggage on the route described in the said ticket or an alternative route as mutually agreed upon by the two parties.

The operator warrants that it is insured in accordance with regulation 5 of the Domestic Air Service Regulations, 1991, as amended.

The operator, its servants, agents and representatives shall be under no liability for any damage of any kind in excess of the limitations imposed in the aforesaid regulations, whether caused or occasioned during the carriage of the passenger by air on in connection with auxiliary services incidental to the carriage by air or whether or not caused or occasioned by the act, omission, neglect, gross neglect or omission or default of the operation's servants or agents.

The ticket shall be valid only for the date specified therein, unless otherwise agreed to in writing by the operator.

The operator undertakes to use its best efforts to carry the passenger and his baggage with reasonable dispatch.

The operator reserves the right to refuse any carriage to any person who has acquired a ticket in violation of the operator'stariffs, rules and regulations.

The conditions of the carriage may not be altered, modified or amended or any provision be waived by any servant, agent or representatives of the operator.

DANGEROUS ARTICLES AND BAGGAGE For safety reasons the dangerous articles listed below may not be carried in passengers' baggage.

COMPRESSED GASES

Compressed gases - (deeply refrigerated, flammable, not-flammable and poisonous) such as butane, oxygen, liquid nitrogen, aqualung cylinders, compressed gas cylinders

Corrosives such as acids, alkalis, mercury and wet cell or lithium batteries.

Explosive ammunitions, fireworks and flares

FLAMMABLE LIQUIDS

Flammable liquids and solids such as lighter fuel, MATCHES, paints, thinners, fire-lighters.

Oxidising materials such as bleaching powder, peroxides

RADIOACTIVE MATERIALS Radioactive materials. Briefcases and attaché cases with installed alarm devices.

Poisons and infectious substances such as insecticides, weed-killers and live virus materials.

Other dangerous articles such as magnetised, offensive or irritating materials.

Note: Disabling devices such as mace, pepper spray etc, containing an irritant or incapacitating substance are prohibited.

Medicines and toiletries in limited quantities which are necessary or appropriate for the passenger during the journey such as hairsprays, perfumes and medicines containing alcohol may be carried. Many of these listed articles can be carried as air cargo provided they are packed in accordance with cargo regulations. Use of cellular telephones is not permitted on board.

Further information is available on request
