FULL DAY CAPE PENINSULA TOUR – R 1,340 per person

Bring your camera; we're headed for Cape Point at the south western tip of the Cape Peninsula, and the most spectacular views in the world. The drive there is just as inspiring, passing steep mountains', secluded coves and sweeping beaches, as well as villages and fishing communities.

Our tour begins with a scenic drive along the Atlantic coast, passing through the cosmopolitan suburb of Sea Point and Camps Bay with its glorious views of the Twelve Apostles, part of the Table Mountain range. We'll continue to the fishing village of Hout Bay, one of Cape Town's best-kept secrets. Here there is an option to take a short boat trip to Duiker Island (for own account & time permitting) to view the Cape Fur Seals, which inhabit the island. From here we travel to the Cape Point Nature Reserve, comprising over 17,300 acres of indigenous fauna and flora. Here we can see a variety of wildlife that includes baboons, Reebok, Cape Mountain zebra, bontebok and the elusive eland. The reserve is also one of the world's largest breeding grounds for tortoises. Bird-watchers, too, will find many fine species to observe.

The majestic coastline offers drama worthy of being called "Nature's Greatest Show." We'll be able to see the union of the Atlantic and Indian Oceans (as per legend), and may even feel the brisk wind that is dubbed the "Cape Doctor" for its presumed curative powers. Following the coastline along False Bay, we'll return to Cape Town by way of Simon's Town, where we visit the Penguin colony at Boulders Beach (for own account), Fish Hoek fishing village and Muizenberg. HALF DAY WINELANDS TOUR – R 840 per person

This enchanting excursion begins with a tour through historic Stellenbosch, an architectural jewel that serves as the historic heart of the country's wine region. A gracious blend of 18-century Cape Dutch, Georgian and Victorian buildings is evident as we drive down Dorp Street, where massive Oaks still shade original water furrows, then enjoy a wine tasting in the Stellenbosch area. A second wine tasting will be included (time permitting), before returning to Cape Town.

Departs daily at ± 14h00 and returns at ± 17h00

FULL DAY WINELANDS TOUR – R 1 155 per person

While South Africa's fertile valleys are world famous for their crisp white and classic French-style red wines, the area is also a treasury of rustic beauty and sprawling estates shaded by giant oak trees. Our drive today will include the country's principal wine routes of Paarl, Stellenbosch and Franschhoek, with a stop en route for lunch (for own account).

The day starts with a visit to Paarl where you will be struck by the beauty of the Valley, the pristine blue sky, the rolling vineyards and the Pearl of Paarl set high above the valley. Paarl made headlines when President Mandela was released from the Groot Drakenstein prison (ex Victor Verster), on the outskirts of the town, to freedom and the start of the new South Africa. We enjoy a wine tasting and cellar tour at one of the local estates.

From Paarl, we'll continue north-west to the beautiful village of Franschhoek, near the Drakenstein Mountains founded in 1688 by French immigrants fleeing the Huguenot religious persecution in Europe. A memorial in the town commemorates the arrival of these early settlers who helped develop the wines sought after by Napoleon, Bismarck and royalty such as Edward VII, the Prince of Wales. Here we will stop for lunch (for own account) and another wine tasting at a vineyard.

We'll then head to Stellenbosch, the 2nd oldest town in South Africa and the historic heart of the country's wine region. In 1679, Dutch East India Company governor Simon van der Stel, recognized the fertility of this long valley on the banks of the Eerste River, as perfect for vineyards. The rest is history, which has been carefully cultivated in this town. A gracious blend of 18th-century Cape Dutch, Georgian and Victorian buildings is evident on Dorp Street, where massive oaks still shade original water furrows. Enjoy a final wine tasting before returning to Cape Town.

Please note that this tour may run in reverse.

Departs daily at ± 08h30 and returns at ± 17h00

HALF DAY TOWNSHIP CULTURAL TOUR – R 720 per person

Join us for a unique experience travelling through the three South Africa's – The birth, where it all started, Apartheid South Africa, what happened then – the New South Africa, what is different since Nelson Mandela was released from prison. Departing from Cape Town city centre, the first stop is in the Bo Kaap. Here we discuss the arrival of an expedition of Dutch sailors in 1652 that proved to be a monumental turning point in the South African history. Taking a short walk along the romantic cobble stone streets between the brightly coloured homes, your tour guide explains how the framework for racial segregation was established. Passing some of Cape Town's landmarks, a short drive brings us to District 6 where we elaborate on the next tier in the South African story i.e. Apartheid South Africa. Once in District 6, we drive through the now decaying ruins of what once was a flourishing mixed race community where 60 000 people lived and worked, but was demolished only to be reserved exclusively for white people. The tour continues to Langa, the oldest Black African Township in Cape Town. Along the way we elaborate on the restrictive legislation introduced by the Apartheid regime to enforce racial segregation. On arrival in Langa, we have a photo stop at the site that commemorates the student uprising of 1976; discuss the Pass Laws and the barracks built for African migrant workers. If conducted on a Sunday morning, the tour includes a short visit to one of the local churches. Here guests are immersed into the charisma and vibrancy of how religion is practiced in the townships. While in Langa, we also share the miracle of our country when Nelson Mandela convinced us to forgive so that we can free ourselves. We also offer our groups a greater understanding of Shanty Town that exploded with the massive migration of mothers and children into the cities restoring black dignity at the end of Apartheid.

The Sunday morning tour includes a visit to a church service in Langa.
