## EL KARAMA LODGE, EL KARAMA RANCH, LAIKIPIA

This award winning eco-lodge on 14,000 acres of private wilderness was designed, built and is operated by owners Murray and Sophie Grant.

The lodge's safari cottages and river side tents are dotted on the banks of the Ewaso Nyiro River; frequented by the abundant wildlife that call El Karama home, including four of the Big 5. Designed as a 'home-away-from-home' the passion for family, sustainability and home grown produce is prominent throughout El Karama; from farm to fork meals enjoyed by the eco swimming pool to tailor made Kids Bush School activities and adventure fly camping, El Karama is an ideal family safari destination.

DAY 4 - 6

## MARA BUSH HOUSES MARA NORTH CONSERVANCY, MASAI MARA

Beginning as a small safari cottage built by two third generation families, Mara Bush Houses now provide private bush homes in the heart of the Masai Mara.

The three bedroom Mara House sits on the private Mara North Conservancy; shared by only 11 properties, the 70,000 acre conservancy is home to abundant year-round game viewing and allows guests to explore the wilderness on night game drives and guided bush walks. The perfect family home in the bush, Mara House offers extensive children's safari activities, a shared swimming pool as well as views over the waterhole from the spacious verandah.

DAY 7 - 9

## ALFAJIRI VILLAS, DIANI SOUTH COAST

**Alfajiri Villas provide privacy, exclusivity and luxury on Kenya's famous Diani beach.**

Owner run and hosted, each private villa provides 24 hour service, a private swimming pool and access to the beach and warm water of the Indian Ocean. With delicious cuisine and outstanding service as their hallmarks, hosts Marica and Fabrizio plan individual daily itineraries for their clients. Enjoy the magnificent views and swim in the pool of your private villa, walk on the ten kilometre-long white sandy beach, go snorkelling on the edge of the coral reef or explore the local craft markets.
