LOWER ZAMBEZI, ZAMBIA

TIME + TIDE CHONGWE CAMP

HIGHLIGHTS

- + *Elephant heaven*
- + *Best views in the Lower Zambezi*
- + *Your new happy place*

Dotted along the forested riverbanks, Time + Tide Chongwe Camp is surrounded by wild beauty. Set at the confluence of the Chongwe and Zambezi Rivers against a beautiful mountainous backdrop, the camp has the best views in the Lower Zambezi. Sit outside your tent, listening to playful vervet monkeys scampering in the winterthorn trees overhead. Before you, an elephant wades across the languid river, dwarfed by the mountainous escarpment beyond. The resident hippos bellow their displeasure at this intrusion, breaking the tranquility. A warm breeze drifts past, carrying the earthy aroma of the river. Lean back and breathe deeply, letting the energy of this extraordinary, wild land revitalise your mind and soul.

Fishing is good year round, but peaks in October and November during the breeding season.

July to October is peak season for our Sleepout Under the Stars.

Canoeing safaris are great all year. During the driest months of August to November, wildlife congregates along the river.

Lion and leopard sightings pick up as the bush dries out and the visibility improves.

The peak walking safari season is July to October.

Boat cruises are excellent all year on the Zambezi River - expect plenty of hippos, crocodiles, birds and elephants.

As the summer rains recede, April is the best time to see wild dogs and a high bird diversity.
