

## **Flights and Baggage (within Africa)**

- Bags must be soft sided (duffel-style and backpacks). Rolling duffels with no rigid frames are accepted.
- Weight and dimension of bags is crucial, particularly for light aircraft and charter flights (see below for details).
- Maximum weight allowances are inclusive of carry-on, checked baggage and camera equipment.
- In some cases, you may purchase an extra seat or a special class of service to account for excess baggage weight. Ask us for details!
- Remember to pack lightly! Laundry can be done on safari at most camps on a complimentary basis or for a small cost.

## **Typical Weight Allowances**

- Commercial flights within Africa – maximum baggage allowance is typically 44 lbs. per person.
- Light aircraft/charter flights can vary:
  - Within East Africa and Namibia – 33 lbs. per person
  - South Africa and Botswana – 44 lbs. per person
  - Zimbabwe – 33 lbs. or 44 lbs. per person (dependent on airline)
  - Zambia – 50 lbs per person
- Dimensions of the bag should be no larger than: 70 cm x 60 cm x 35 cm (L x W x D) 27" x 24" x 14"

## Suggested Baggage Types

*Examples:* Eagle Creek Cargo-Hauler-Wheeled-Duffel-110L or similar, plus a strong, weather resistant backpack:

See the Packing List in the “Preparing for Your Journey” document you received when you booked your trip with us for more ideas.

# **PACK** for a **PURPOSE**®

Small Space. Little Effort. Big Impact.

Are you interested in helping local communities in the destinations you are visiting? We support Pack for a Purpose, a non-profit organization which identifies specific items that are essential and easily packed for donation.

Look up your specific accommodations and what is needed in the local community:
