Praslin & La Digue Group Tour with lunch (sharing basis)

Praslin, the second largest island in Seychelles, lies approximately 1 hour by boat from Mahe. Visitors will be able to visit the Vallee-de-Mai, the only place on earth where the giant Coco-de-Mer nut grows in its natural state - a walk along the tended paths of this primeval forest, listening to the trill of the rare Black Parrot, transports one to the beginning of time; giving credence to the legends of this World Heritage Site being the original Garden of Eden. The tour includes a visit to the famous Anse Lazio beach, before the 30-minute crossing to La Digue, during which one has a good chance to spot dolphins. Visitors to La Digue island will marvel at the timeless atmosphere, with the comforts of the 21st century blending smoothly with the tranquility of yesteryear, where life is lived mainly at the pace of the oxen. Transfer from the jetty to L'Union Estate for a tour of the copra sheds, the giant land tortoises and the recently refurbished colonial plantation house, location of the film "Goodbye Emmanuelle". The tour of La Digue resumes by 'camion', an open-sided truck with canopy, stopping at Anse Source d'Argent, one of the most spectacular beaches in the world, allowing you ample time to photograph the impressive granite rock formations. This tour, which sometimes starts on La Digue, is an attractive opportunity to visit the highlights of both islands in one day.
