

BUSH WHISPER EXPEDITIONS PROUDLY SUPPORTS GREENTRAX

Greentrax is directly involved with the protection of our endangered and threatened wildlife in various ways:

- TRAINING of K9s and K9 handlers in tracking and detection.**
- ON-SITE maintenance training and assessments of K9s and K9 handlers.**
- OPERATIONAL deployment with K9s for human tracking and detection of weapons, ammunition, and contraband (Narcotics detection in development).**
- AWARENESS of the current poaching, trafficking, and conservation situation globally via social media, talks, and presentations.**

**FOR EVERY BED SOLD A PORTION OF
PROCEEDS TOWARDS GREENTRAX**

BUSH WHISPER PETS APPAREL

Proudly South African

Supporting local

**By making use of locally produced fabric (shweshwe).
Manufactured by our local community-based seamstresses**

**Shweshwe: is a printed dyed cotton fabric widely used for
traditional Southern African clothing. The genuine product can
be recognised by
feel, smell, taste, sound, and a trademark logo on the reverse
side of the
fabric. The trademarked fabric has been manufactured by Da
Gama Textiles in the
Zwelitsha township outside King William's Town in the Eastern
Cape since 1982.**

Made up of:

- Recycled Plastic (Sourced from a community-based Factory)**
- Original ShweShwe**
- Waterproof Canvas**
- Betting**
